SUPPLEMENT TO
REPORT NO.

1. The following Communist guerrillas have been moved from Zgorzelek 500, Poland, to 30 Deliban Utea (Street) Budapest, Hungary:

Vasilios Malamoudas
Vasilios Zafis
Theodore Raptis
Athanassios Vakaliotis
Savas Gabriellides
Odysseus Tourliarides
Athanassios Tsintzis

2. Athanasios Tzintzis; whose wife in Braila, Rumania, had been expecting him to join her, wrote in a recent letter that he would be unable to do so. This separation, source commented, is contrary to the general practice in force thus far of bringing together the guerrillas with their families. Tzintzis is reportedly on good terms with his wife.
3. The members of the above group have all been trained at a Communist guerrilla school; in view of their special training it is believed that they were brought to Hungary in preparation for a specific mission.
4. The existence in Budapest of an organization which makes all necessary arrangements for the dispatch of Communists into free (sic) countries, and attempts to reestablish Communist organizations in Greece through the medium of Greek Communist agents sent in from abroad, led to the conclusion on the part of source that the Communist guerrillas listed above were destined for a mission in Greece.
